- Attend the full duration of field school
- Complete the pre- and post-tests and daily quizzes (conducted at the field school)

Frequently Asked Questions:

What is the cost of the college credits?

- The total cost is \$1,824.00, payable by check to Cedar Crest College. **Payment must be sent by no later than August 25th, 2018.** A form will be sent to you after the field school, which you will fill out and return to the Academy, along with your tuition payment.

If I am interested in credits now, but decide later I do not want to receive them, do I still have to pay?

- **No.** You MUST send this paper back prior to field school to have your name on the roster in order to receive credits, but if you decide later that you no longer want to pursue the college credit option, you do not have to send the tuition payment. You may simply notify us and we will mark you as having “withdrawn.” There is no cost or grade associated with a withdraw denotation.

What if I do not send back this form but decide after field school that I want college credit?

- *You will not be eligible to receive the college credits.* This form must be sent to us, indicating that you would like to pursue the college credit option, **by no later than April 16th, 2018.**
