

Haillee shares her THANKS with a Scholarship Fund donor. YOU can make an impact like this too!

Hello, My name is Haillee, I am 15 years old, and a sophomore in high school. I would like to sincerely thank you for supporting my tuition for the Wildlife Leadership Academy. **My time at field school is something I will never forget.**

During my time at field school, my passion and interest in the environment was really able to blossom and my eyes were opened to a large variety of jobs available in this field. I made so many like-minded friends, learned a ton of new information and had so much fun!

Since field school, I have strived to educate people in my community about environmental topics and how important conservation is. I have worked alongside both wildlife and aquatic biologists, left information tri-folds up around my school, and went on nature identification walks with my peers.

One day I hope to become an environmental biologist and help make important discoveries that can preserve the Earth's biodiversity. Again, thank you so much for your contribution to my tuition. Wildlife Leadership Academy was an experience that changed so much for me, all in a fantastic way.

ACADEMY SCHOLARSHIP FUND

What does your donation to the Scholarship Fund support?

50% OF ACADEMY STUDENTS REQUEST FIELD SCHOOL TUITION SUPPORT EACH YEAR

YOUR DONATION TO THE SCHOLARSHIP FUND helps to offset the cost of programming, allowing us to continue to offer field school tuition assistance to students in need and/or those who qualify based on academic excellence.

Since 2009, Academy tuition has remained at \$500. We believe that our tuition should not only stay low for all families, but also that a student should have the opportunity to attend the Academy regardless of their financial situation. **Your support allows us to continue to make that happen!**
