

# FLY FISHING STEPPING STONES PROGRAM

At the Stepping Stones Program, fly fishing serves as a recreational pathway to and through the Wildlife Leadership Academy. Fly fishing is used as a springboard to learn about fisheries biology, conservation, and leadership skills development. The Stepping Stones Program is an introductory experience for those just getting their feet wet in conservation.

After completing the program, students are official Conservation Advocates and continue their involvement through community outreach projects.

*Stepping Stones Program: Fly Fishing is a Wildlife Leadership Academy program in partnership with the Pennsylvania Fly Fishing Association.*

**Who:** 14-16 year old students

**When:** May 10-12, 2024
