

FORESTRY

ADVANCED EDUCATIONAL TRAINING

The Advanced Educational Training (AET) program is exclusively designed for Wildlife Leadership Academy alumni under the age of 18. This unique weekend program offers an immersive experience rooted in the forestry field and wood products industry.

Build on what you learned at field school and gain insights into the PA forest/wood products industry, learn about forest management, investigate forest ecology, hone tree identification skills, tour local wood products businesses, and explore careers in forestry!

Advanced Educational Training – Forestry is a Wildlife Leadership Academy initiative in partnership with PA Forest and Wood Product Industry including Allegany Hardwood Utilization Group, Keystone Wood Products Association, and Northern Tier Hardwood Association.
